# LAZY JACK SAILING SCHOOL COURSES

We are delighted to announce that starting in **Spring 2026**, the popular powerboat and sailing courses of **Lazy Jack Sailing School** will be available in Budapest at the **Prestige Yacht Club** marina!

Our partnership enables quality boating education to take place on one of the Danube's most frequented and popular stretches, where our protected marina provides an ideal environment for smooth and safe practical training, even during extremely low water levels.

## WHY LAZY JACK SAILING SCHOOL IS YOUR BEST CHOICE:

- By completing Lazy Jack courses, you can operate motorboats, motor yachts, jetskis, and electric boats on European inland waters without horsepower restrictions, up to a maximum vessel length of 20 meters.
- Our training doesn't just prepare you for exam tasks—we develop confident, practically skilled captains who can handle any unexpected situation.

## WHY PRESTIGE YACHT CLUB FOR LAZY JACK TRAINING?

- **Excellent Location:** Easy accessibility from downtown, even by public transport. Modern Infrastructure: Our protected finger-pier marina shields boats from environmental factors.
- **Comfort & Services:** Free use of facilities for course participants. Melba Bistro's Danube panorama terrace is an ideal spot for relaxation and refreshment.
- **Guaranteed Safety:** Camera surveillance system and continuous harbor master watch ensure peace of mind.
- **Weather-Proof Training:** Thanks to the bay's characteristics, practical instruction can be safely conducted even in adverse weather conditions.
- **Unique Winter Storage:** Water circulation technology enables winter boat storage afloat, eliminating costly lifting and dry storage.
