

OUR SERVICES

BERTHS & INFRASTRUCTURE

Modern finger-pier berths in a protected bay welcome all vessels from powerboats to motor yachts. Shore power, water, and convenient boarding are available at every berth – the complete infrastructure ensures worry-free mooring.

WINTER STORAGE AFLOAT

Our unique water circulation system ensures boats can remain afloat throughout winter, eliminating costly lifting and dry storage.

COMPREHENSIVE SERVICE & MAINTENANCE

Our service and maintenance partners handle engine, drive system, and electrical work. Winterization, regular inspections, and preservation – whether for your own boat or as a club member service.

RESCUE & BOAT SUPPORT

If an unexpected situation arises on the Danube (e.g., propulsion issues, minor technical problems), our partner network provides rapid assistance.

YEAR-ROUND ACCESS

Thanks to the bay's favorable characteristics, the marina remains safely accessible even at low water levels, so boating is not limited to the season – the marina stays open throughout winter.

24-HOUR SECURITY

Camera surveillance and 24-hour harbor master watch guarantee the safety of vessels and peace of mind for owners.

WATER SPORTS EQUIPMENT RENTAL & COMMUNITY EXPERIENCES

SUP, e-foil, boats, and other water sports equipment are available to club members at discounted rates. The marina's community spaces are ideal for relaxation, conversation, and enjoying the waterfront atmosphere even after boating.

CLUB LIFE & COMMUNITY SPACE

Access card system, modern clubroom, diverse programs. Here, boating is not just a sport, but a community experience.

GASTRONOMY - MELBA BISTRO

Melba Bistro on the waterfront offers Danube panorama views, modern cuisine, and club member discounts – the perfect choice for morning coffee or dinner after boating.

FLOATING ACCOMMODATION - PRESTIGE YACHT RESORT

Our premium floating homes offer luxury relaxation for 2-6 guests, complete with jacuzzi.

FAVORABLE PRICING & EXCEPTIONAL LOCATION

Our premium services are available in Budapest's 13th district without yacht tax – close to downtown, yet in a peaceful waterfront environment.

SAILING COURSES

Lazy Jack Sailing School courses are available at our club: one-day and weekend powerboat courses, plus advanced maneuver training – with online theory and practical training at the marina.
